

# HR Leadership in 2021

Burn The Handbook and Lead from The Core

Today we'll  
discuss:

- HR lessons from 2020
- How to nurture your own, your people's and your HR Team's wellbeing
- Innovative Techniques to create a more engaged and productive workforce
- Why mission, purpose and values are critical to HR Leadership in 2021

I see your worth

What got us  
here won't get  
us there

One Size  
Doesn't Fit

# The future of HR Depends on:

- Us getting clear on and leading from our values
- Our Behaviours
- Our Mindset
- Our Energy levels
- Our Confidence
- Our ability to innovate and create People First places to work

# Priorities for 2021 and Beyond

- Wellbeing
- Workforce
- Ways of Working

# Burn The Handbook

Engage.  
REALLY Engage!

# Put Your People First

# **REMEMBER!**

## The future of HR Depends on:

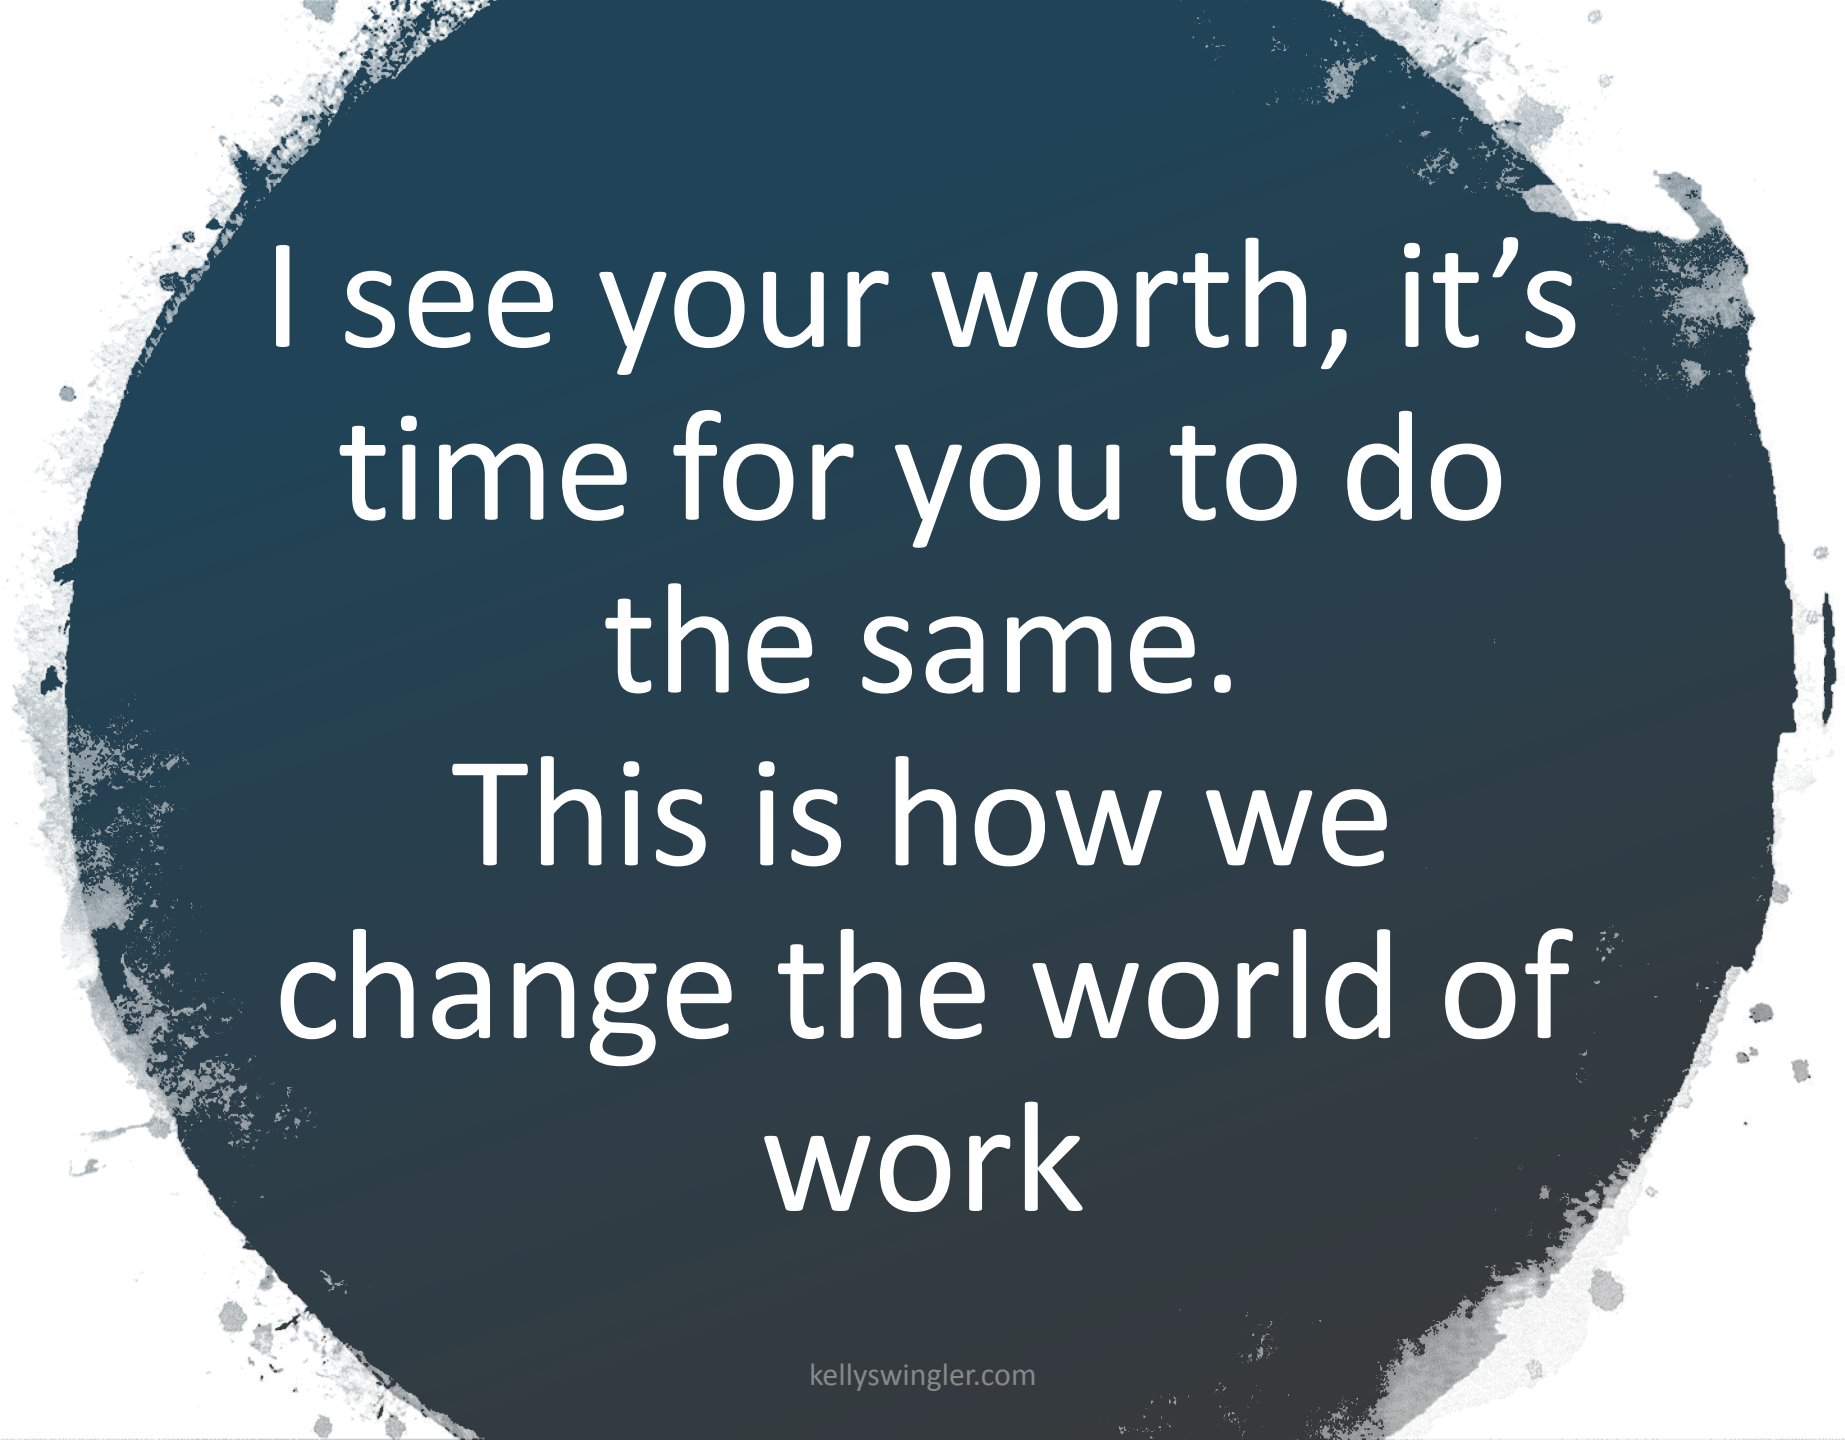

- Us getting clear on and leading from our values
- Our Behaviours
- Our Mindset
- Our Energy levels
- Our Confidence
- Our ability to innovate and create People First places to work

# Change is an inside job

And it starts with you!

- Lead from your values not the rulebook
- Be clear on who you are, your role and what you are here to create and deliver as well as the value you add
- Focus on your wellbeing, implement self-care, self-love and self-compassion
- Be the role model you wish you had

I see your worth, it's  
time for you to do  
the same.

This is how we  
change the world of  
work

Thanks for listening
